

China Data Online

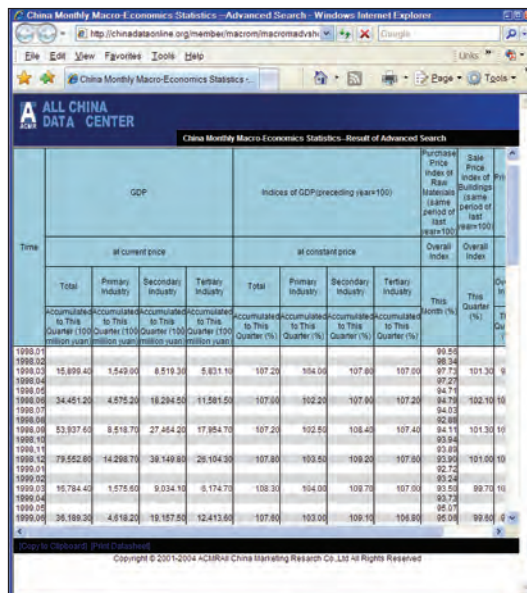

The premier tool for Chinese demographic data.

China Data Online is a unique service of the China Data Center. China Data Online brings together a tremendous knowledgebase of government statistics and Census data. With thousands of available variables and a powerful online search platform in English and Chinese, China Data Online is the premier tool for China studies.

China Data Center

The China Data Center (CDC) at the University of Michigan is an international center for the advancement of research on China. The CDC supports research by providing high-quality data products and advanced tools. CDC's Census, statistical and GIS data products offer unique value for understanding China at the national, provincial, city, district, county, and township levels.

Time	GDP				Index of GDP (preceding year=100)				Purchase Price Index of Raw Materials (same period of last year=100)	Sale Price Index of Business (same period of last year=100)	
	at current price				at constant price						Overall Index
	Total	Primary Industry	Secondary Industry	Tertiary Industry	Total	Primary Industry	Secondary Industry	Tertiary Industry			
1990.01										99.59
