

# CDMD – China Doctoral/Master Dissertations Full-text Database

## 中国优秀博硕士学位论文全文数据库

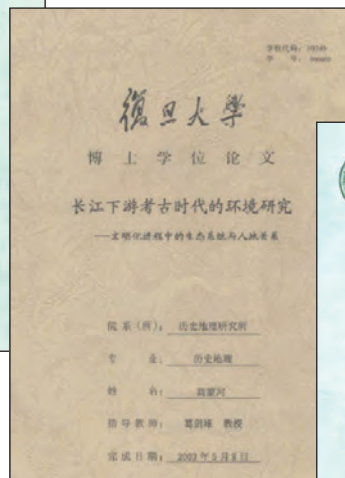

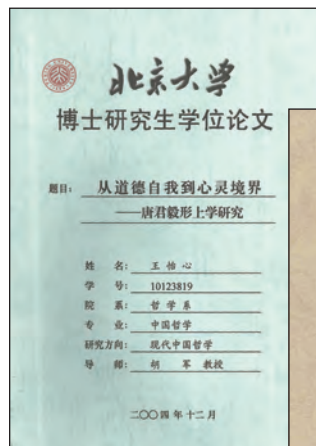

The most comprehensive, highest quality database of dissertations and theses from China.

For academic research at the highest level, the China Doctoral/Master Dissertations Full-text Database provides an unparalleled look into the work of China's most prestigious institutions. This is the most comprehensive, highest quality database of dissertations and theses from China, representing more than 300 doctoral training institutions.

CNKI – China National Knowledge Infrastructure

CNKI – the China National Knowledge Infrastructure – is the world's most comprehensive online resource for accessing China's intellectual output. This powerful platform is the product of Tongfang Knowledge Network, Beijing, and encompasses academic journals, dissertations, conference papers, news, and many other resources that put the knowledge of China in the sciences and humanities at your fingertips. With more than 25,000,000 articles and growing every day, CNKI is a foundation for any serious research on China. CNKI is hosted in the United States by East View and updated daily.
