

LawInfoChina

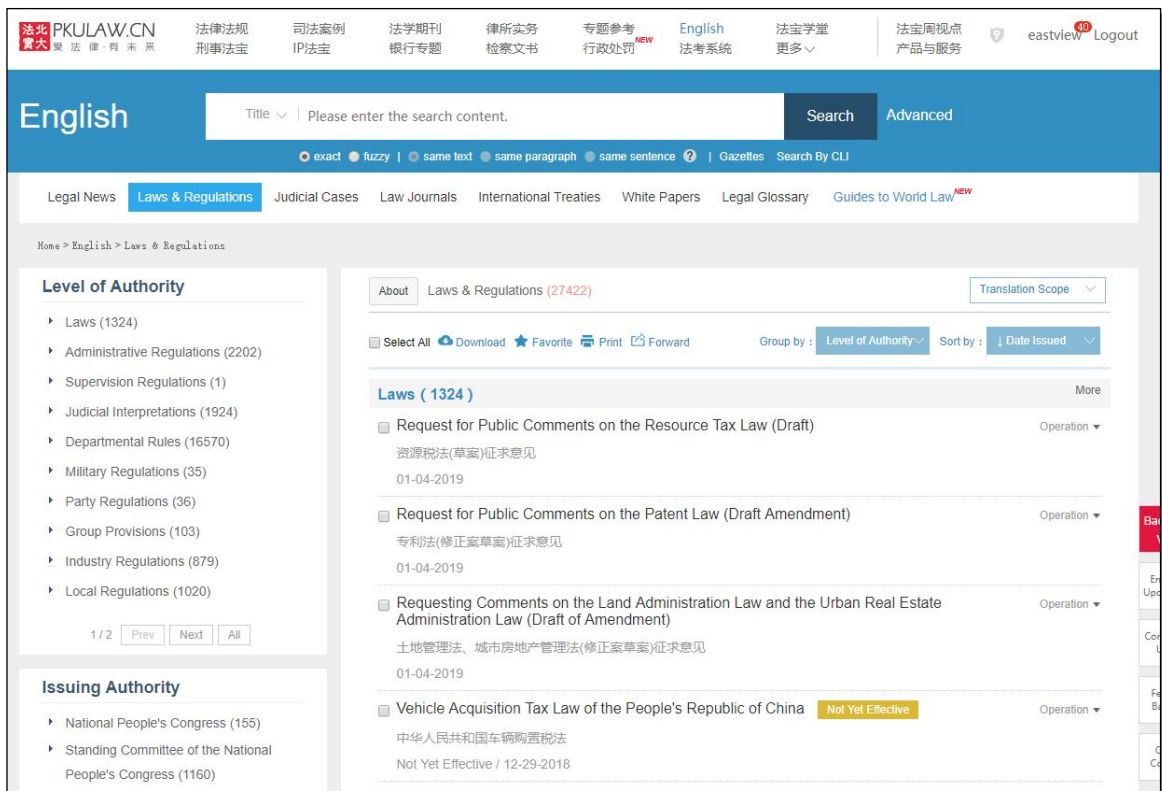

A vast collection of Chinese law translated into English

ChinaLawInfo

Under the aegis of the Peking University Law School, ChinaLawInfo produces the most comprehensive and authoritative databases of Chinese laws and regulations in English and Chinese covering the dynamically changing legal landscape in China.

Lawinfochina is a companion to Chinalawinfo, offering high-quality English-language versions of Chinese legal information. Laws, regulations, cases, legal news and forums are brought together in a powerful and relevant database tailored specifically to the needs of global organizations and foreigners who need to understand the Chinese legal landscape.

LawInfoChina features an easy-to-use English interface and the ability to search in English or Chinese.

Database Specifications
