

CPCD – China Proceedings of Conferences Database

中国重要会议论文全文数据库

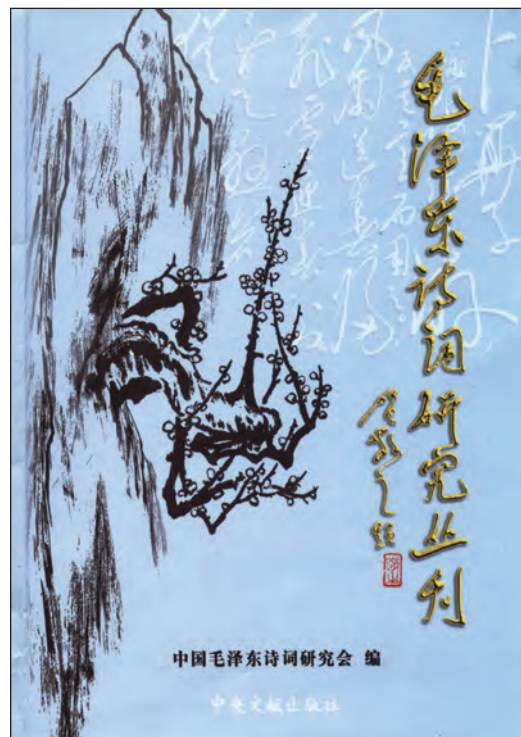

China Proceedings of Conferences Database offers a comprehensive picture of academic discussion in China's premier institutions.

Unique among timely information databases from China, China Proceedings of Conferences Database delivers information from academic institutions, industrial organizations, governmental agencies, and international bodies.

CNKI – China National Knowledge Infrastructure

CNKI – the China National Knowledge Infrastructure – is the world's most comprehensive online resource for accessing China's intellectual output. This powerful platform is the product of Tongfang Knowledge Network, Beijing, and encompasses academic journals, dissertations, conference papers, news, and many other resources that put the knowledge of China in the sciences and humanities at your fingertips. With more than 25,000,000 articles and growing every day, CNKI is a foundation for any serious research on China. CNKI is hosted in the United States by East View and updated daily.
