

CRWO – China Reference Works Online

中国工具书网络出版总库

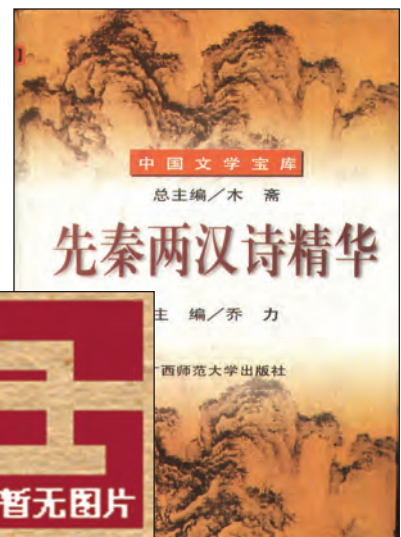

China Reference Works Online is remarkable interactive collection from China.

CRWO integrates Chinese atlases, encyclopedias, handbooks, thesauruses and dictionaries into one searchable database. CRWO can reference items across multiple works and cite terms in a singular work. Users at every level of sophistication will appreciate the search speed across 8 million seminal reference work entries. In-depth indexing, classification and editing provide a useful online learning resource.

CNKI – China National Knowledge Infrastructure

CNKI – the China National Knowledge Infrastructure – is the world's most comprehensive online resource for accessing China's intellectual output. This powerful platform is the product of Tongfang Knowledge Network, Beijing, and encompasses academic journals, dissertations, conference papers, news, and many other resources that put the knowledge of China in the sciences and humanities at your fingertips. With more than 25,000,000 articles and growing every day, CNKI is a foundation for any serious research on China. CNKI is hosted in the United States by East View and updated daily.
