

CYFD – China Yearbooks Full-text Database

中国年鉴全文数据库

China Yearbooks Full-text Database is an indispensable reference tool.

CNKI – China National Knowledge Infrastructure

CNKI – the China National Knowledge Infrastructure – is the world's most comprehensive online resource for accessing China's intellectual output. This powerful platform is the product of Tongfang Knowledge Network, Beijing, and encompasses academic journals, dissertations, conference papers, news, and many other resources that put the knowledge of China in the sciences and humanities at your fingertips. With more than 25,000,000 articles and growing every day, CNKI is a foundation for any serious research on China. CNKI is hosted in the United States by East View and updated daily.

The digital platform provides detailed, timely, comprehensive and systematic access to authoritative facts, statistics, activities and events of national and regional significance. Researchers can examine a region, industry or population segment from key data indicators of politics, the economy, science, technology, culture and education.
