

# Universal Database of Iranian Strategic Studies

Gain unique insight into the Middle East with East View's *Universal Database of Iranian Strategic Studies*. This e-journal and e-book collection is from the Center for Scientific Research and Middle East Strategic Studies (CMESS), a think tank in Iran with focused studies and research on the various aspects of the Middle East.

Content found in the *Universal Database of Iranian Strategic Studies* provide Western academics and area experts with an inside look into the concepts and language that predominate high-level policy and academic discourse in Iran. This easy-to-use online database offers full-text searching and comprehensive tables of contents, with articles viewable in full-image PDF. This database will continuously grow as forthcoming issues are added.

Founded in 1988 with branches in both Tehran and Beirut, CMESS is a major player within Iran's nascent yet thriving political science industry. They host conferences and roundtables with international politicians, think tanks, and universities, and their main audience comprises high-level academic and policy experts in Iran.

## **Regional Studies Quarterly: Israel-America Studies**

فصلنامه مطالعات منطقه ای اسرائیل-شناسی-آمریکا شناسی  
Faşlnāmah-i muṭāla'āt-i miṭāqah'ī Isrāyīl'shināst Āmrīkā'shināst

*Studies on Israel-US* focuses solely on geopolitical and social analysis of the United States and Israel, reflecting the major influences of these two countries on Iranian political consciousness and analysis. On the US side topics include dependence on Middle Eastern oil; American political parties and society; NATO and the Middle East; and US-Chinese relations, among other topics. The Israeli analysis, although equally treated in the quantity of articles, is overwhelmingly focused on defense, military, and national security strategy.

## ***Middle East Affairs***

شؤون الأوسط  
Shu'un al-Awsat

Originally published monthly, this now bi-annual journal offers academic perspectives on the politics, economic development, and societies of the Middle East, with articles from Arab, Iranian, and Western academics (the latter two published in translation) among others.

In Arabic, with table of contents in English. ISSN 1081-9408  
Published from 1991. EVIS holdings: 57 issues, 1991 to current

## ***Discourse: An Iranian Quarterly***

*Discourse*, in a summary outlined in its inaugural issue from 1999, is intended to fill a "conceptual gap" between the realities and lived experiences of Iranian society, and how analysts and observers outside Iran view the country. Seeking primarily to influence external perceptions of Iran, in addition to academic articles and book reviews, each issue of *Discourse* ends with a current summary of happenings in Iranian culture, economy, politics, sports, women, art, among other topics.

In English. ISSN 964-330-575-9  
Published from 1999. EVIS holdings: 33 issues, 1999 to current

## **E-Books**

To date, the database delivers 31 e-books published by CMESS, which are focused on a variety of topics. Published from 1992, topics cover Arab-Israel conflicts, Egyptian political crisis, United States in the Middle East, secular and religious societies in Turkey, issues in the Persian Gulf, the Islamic awakening, after the Cold War and security issues, political parties in Iraq, water and the environment in the region, and more.
