

## Searching Guide of LawinfoChina

www.lawinfochina.com

This database needs to connect to the Internet. Open the IE browser, Visit [www.lawinfochina.com](http://www.lawinfochina.com)

Here are the sub-databases of the English database, including Laws & Regulations, Judicial Cases, Tax Treaties, WTO & China, etc. You may select each single sub-database to search documents.

The database is searchable in both English and Chinese by title, full-text keyword, subject, promulgator, promulgation date, effective date and any combination thereof. In this page you may directly search documents by title or full-text keyword.

The screenshot shows the LawinfoChina website interface. Key elements highlighted with red boxes include:

- The browser address bar showing <http://www.lawinfochina.com/>.
- The left sidebar menu with sub-databases: Legal System of China, Basic Laws, Legal News, White Papers, Find Lawyers, For Subscribers (Laws & Regulations, Judicial Cases, Tax Treaties, WTO & China, Gazettes, Journals), FAQ, and Products and Services.
- The 'Legal News' section with a list of recent articles.
- The search section with a 'Keyword' input field, search options (Title, Full Text), and an 'Advanced Search' button.
- The 'Current User Logon' section with fields for 'User ID' and 'Password', checkboxes for 'remember user ID', 'remember password', and 'automatic logon', and 'Logon' and 'Reset' buttons.

Input your user ID and password herein. You may select one or all of the conditions "remember user ID", "remember password", or "automatic logon", and then click the button "logon".

If you are not sure of the keyword, you may click "Advanced Search" to select a subject or promulgator to search the document.

The 'Advanced Search' page includes the following fields:

- Select Database:  Laws & Regulations,  Cases,  Tax Treaties
- Keyword:
- Select a Subject:
- Select a Promulgator:
- Select a effectiveness:
- Promulgation:  e.a: 19490101--20021231
