

Ukrainian Statistical Publications (UDB-STAT-UKR)

The latest statistics from Ukraine, in digital format

The Ukrainian Statistical Publications (UDB-STAT-UKR) collection contains the most comprehensive statistical data on key economic, social, and environmental trends and developments in Ukraine. Published by the State Statistical Services of Ukraine, these publications provide the latest and most up-to-date data on Ukraine's domestic and foreign trade, macro-economic sectors, labor and employment, foreign investment, the development of communications and transportation infrastructures, demographic trends, household economic performance, etc. These publications will allow researchers, academics, analysts, government planners, policy decision makers, and business enterprises to gain data-driven cross-sectional analytical insight into Ukraine's overall social, political, and economic environment.

East View's Universal Database™ Platform

As the largest provider of authoritative information on Russia and the former Soviet Union, East View offers an innovative approach to electronic research. We maintain redundant hosted environments for this content in Minneapolis and Moscow on our Universal Database™ platform (UDB).

Customize and Optimize Your Library

- Build collections from individual online titles
- Link options for Online Public Access
- IP/password access to standard or custom collections
- Stable URLs for linking on a database level or on individual title and article levels
- Mirror servers in U.S. and Russia
- Usage reports in COUNTER format

Increase Your Efficiency

- Interface functions are optimized for specific content types
- Browse by specific title and issue
- Mobile friendly access
- Easily exportable citations
- Transliteration, Russian, Ukrainian or English language searches
- Virtual Russian and Ukrainian keyboard displays available for ease of input
