Election Ephemera – Russia

EAST VIEW ESSENTIALS presents curated collections of essential resources on a specific subject, region, or resource type at a single discounted price.

East View Essentials: Election Ephemera – Russia features an unprecedented collection of fleeting election material including party programs, propaganda materials, special newspaper editions, handbills, and more – all preserved for easy digital access. Representing a vast repository of primary source material from both presidential and parliamentary elections, as well as major referendums, the 1991 coup attempt, and unique political materials published during the twilight of the Soviet Union, this collection embodies a unique "first stop" for policy analysts and observers of electoral politics in the countries of the CIS.
