# Digital Research Platform for Esoteric Studies

### Research on excavated texts, dialects, minority languages, religion, classical studies, philosophy, and more

For researchers interested in excavated texts, dialects, minority languages, religion, classical studies, and philosophy, Digital Research Platform for Esoteric Studies (DRPES) offers a standalone platform built for browsing classical materials and publications in lesser-known languages. Covering China Social Sciences Press publications from 1979 to present, DRPES reflects the growing body of Chinese contemporary analysis of the following subjects:

– Assyria
– Bamboo and Silk Manuscripts
– Classical Studies
– Dialects & Lesser-Spoken Languages
– Dongba Script
– Dunhuang
– Egypt
– Excavated Documents
– Historical Geography
– History of Ethnic Minorities
– Local History and Gazetteers
– Manchu Studies
– Oracle Bones
– Paleography
– Sanskrit Studies and Buddhist Scriptures
– Tibetan Studies
– Turkic Studies
– Uyghur and Khitan
– Western Xia
