

China Proceedings of Conferences Database (CPCD)

A comprehensive picture of academic discussion in China's premier institutions

The China Proceedings of Conferences Database (CPCD) delivers information from meetings of academic institutions, industrial organizations, governmental agencies and international bodies. Offered via the China National Knowledge Infrastructure (CNKI) platform, CPCD offers insight into academic discourse from the People's Republic of China.

About China National Knowledge Infrastructure (CNKI)

CNKI is the world's most comprehensive online resource for accessing China's intellectual output. This powerful platform is the product of Tongfang Knowledge Network, Beijing, and encompasses academic journals, dissertations, conference papers, news, and many other resources that put the knowledge of China in the sciences and humanities at your fingertips. With more than 25 million articles and growing every day, CNKI is a foundation for any serious research on China. CNKI is hosted in the United States by East View and updated daily.

Please visit www.eastview.com/resources/cnki/ to view all CNKI products available from East View.
