

China Yearbooks Full-Text Database (CYFD)

A comprehensive and indispensable reference tool

China Yearbooks Full-text Database (CYFD) provides access to authoritative facts and statistics of national and regional significance in the People's Republic of China. Offered via the China National Knowledge Infrastructure (CNKI) platform, researchers can search by region, industry, or population segment using key data indicators referring to politics, the economy, science, technology, culture, and education.

About China National Knowledge Infrastructure (CNKI)

CNKI is the world's most comprehensive online resource for accessing China's intellectual output. This powerful platform is the product of Tongfang Knowledge Network, Beijing, and encompasses academic journals, dissertations, conference papers, news, and many other resources that put the knowledge of China in the sciences and humanities at your fingertips. With more than 25 million articles and growing every day, CNKI is a foundation for any serious research on China. CNKI is hosted in the United States by East View and updated daily.

Please visit www.eastview.com/resources/cnki/ to view all CNKI products available from East View.
