RUSSIAN/NIS NEWSWIRES

This database includes several outstanding sources to follow the day-to-day developments in Russia and CIS. The Moscow bureau of Federal News Service (Washington, D.C.) publishes the daily Kremlin package consisting of the full text transcripts of top speeches, statements, press conferences, newspaper articles and television reports of the day, from presidential addresses to remarks by Duma opposition leaders, from Foreign Ministry briefings to commentaries by leading economists and other experts. ITAR-TASS, one of the major world information agencies, delivers a detailed account about the events in Russia and worldwide. The Moscow information agency Oreanda specializes in economic news and its services are used by the largest Russian banks and corporations as well as by government agencies. The daily newswire AP-Blitz is produced by the Tajikistan-based information powerhouse Asia-Plus, covering the developments in the volatile region of Central Asia.
