

Narodna Armiiia Digital Archive

Narodna armiiia (Народна армія, People's Army) was released at the beginning of Ukrainian independence and with the newly created Armed Forces of Ukraine as successor to the Soviet military publication of the Ukrainian SSR, *Leninskoie znamia* (Lenin's Banner). Published in Kyiv from 1991-2018, this Ukrainian-language publication details the creation, reform, and redevelopment of the Armed Forces of Ukraine with a particular focus on military training, international military cooperation, and social benefits for servicemen and their family members. Correspondents also covered the activities of Ukrainian peacekeepers in UN operations in Bosnia-Herzegovina and the activities of the Ukrainian-Polish battalion in Kosovo.

About the Archive

The Narodna Armiiia Digital Archive includes all obtainable issues published from 1991 to 2018 and represents the most complete collection available for this title. The archive features full page-level digitization, complete original graphics, and searchable text, and is cross-searchable with numerous other East View digital resources.

The Narodna Armiiia Digital Archive is a part of the East View Global Press Archive® (GPA), a groundbreaking program from East View Information Services to create the most comprehensive collection of digital news sources from around the world. GPA is the result of a landmark initiative of Stanford Libraries and the Hoover Institution Library & Archives to digitally preserve and make more accessible thousands of original print newspaper publications collected by the Hoover Institution and now housed by Stanford Libraries.
