

Library and Information Sciences Journals (UDB-LIB)

The most influential library journals from Russia, Ukraine, and Uzbekistan

The Library and Information Sciences Journals (UDB-LIB) collection is the first full-text online database of the most authoritative Russian, Ukrainian, and Uzbek periodicals on library science and bibliography as well as on archives and museums. This collection offers researchers a wide range of resources, both current and archived, on the preservation of cultural legacies. Targeted to librarians, bibliographers and information specialists, UDB-LIB includes coverage of the current state of Russian, Ukrainian, and Uzbek libraries, bibliography standards, the operation of archives, and the role of new technologies, as well as historical essays and reviews of books on history, literature, folklore and more.
