

Moscow Defense Brief Digital Archive

Insight into Russia's defense industry, in English

Published from 2004 to 2018 by the highly-regarded, Moscow-based, non-government think tank, the Centre for Analysis of Strategies and Technologies (CAST), *Moscow Defense Brief* was an English-language journal and an important resource for researchers to gain insight into the inner workings of Russia's military and defense industry. *Moscow Defense Brief* went beyond aggregation and commentary, delivering unique value as an independent Russian source of unbiased analysis on all aspects of Russia's military policies and defense industry activities.

Regular issues of *Moscow Defense Brief* ceased in 2018 with one special issue published in 2019. This journal has been an important resource for foreign governments, policy makers, political and economic experts, defense industry stakeholders, and a wide range of researchers interested in Russian and/or CIS affairs.
