

Moscow University Press (UDB-MGU)

Moscow State University publications on 26 different topics

The Moscow University Press (UDB-MGU) collection offers online access to scholarly and scientific works published in the renowned *Vestnik MGU* (Вестник Московского университета). Published by the most prominent academic institution in Russia—Moscow State University—*Vestnik MGU* offers 26 different topics on all important areas of scientific knowledge ranging from mathematics and chemistry to economy, law and history. The collection also contains two correlating journals: *The Bulletin of the Moscow Society of Nature Studies: Biology* (Бюллетень Московского общества испытателей природы. Отдел биологический) and *The Bulletin of the Moscow Society of Nature Studies: Geology* (Бюллетень Московского общества испытателей природы. Отдел геологический). The UDB-MGU collection provides a wealth of research materials to scholars in various areas of knowledge, especially working in the cross-disciplinary fields and studying the latest scientific developments in Russia.
