

Russian Medicine and Public Health Journals (UDB-MED)

A collection of Russia's leading medical and health periodicals

The core of the Russian Medicine and Public Health Journals (UDB-MED) collection is represented by journals of *Meditsina* (Медицина), the most authoritative medical publisher in the country. There are also several other respectable medical publishers, such as *Dinastiia* (Династия), *Remedium* (Ремедиум), *Russkii Vrach* (Русский Врач) and *Velt* (Вельт). Research in this collection covers such issues as public health, infectious diseases, general practice, pharmacology, pediatrics, nursing, skin diseases, and more.
