

St. Petersburg University Press (UDB-SPU)

Scholarly journals from St. Petersburg University on a wide range of topics

The St. Petersburg University Press (UDB-SPU) collection offers online access to scholarly and scientific works published in the renowned *Vestnik SpbU*, a journal of science and theory that features educational and scientific literature on social and natural sciences, engineering and technology. Established in 1946, St. Petersburg University Press publishes innovative theoretical, experimental, and practical research, as well as reports on the achievements of the University's research institutes and schools. The editorial board of *Vestnik SpbU* is drawn from prominent academic researchers with leading works in the sciences, humanities, and social sciences.
