

Periodicals of Central Asia and the Caucasus (UDB-CAC)

A collection of rare and influential publications from these regions

The Periodicals of Central Asia and the Caucasus (UDB-CAC) collection includes a number of authoritative periodicals from the region. The publications are mostly in Russian and English and cover various issues of domestic and international importance. The collection contains news and data on state structure, politics, legislation, the judicial system, and indicators on all sectors of economy and more, making it an excellent source for scholars, investors, field experts and students. Many titles have a rich archive dating back to 2000.
