**Insolvency proceedings: Kubon & Sagner Media GmbH**  
**Here: Customer relationship**

Dear Sir or Madam,

In the above-mentioned matter, it is known that the insolvency court ordered the opening of the insolvency proceedings on June 1, 2017 and ordered me to become the insolvency administrator.

After opening, Kubon & Sagner Media GmbH's business operations could not be maintained, and was therefore discontinued by me.

However, a buyer named **Eastview**, represented by President Kent Lee, has been found for the borrower's movable assets. These could be sold to the buyer. In addition, the buyer is interested in your former business relationship with the debtor. It is for this reason, that the buyer would like to contact you, and service your company further. From that point on, Eastview would be your contact.

Best regards,

**Tilo Kolb**
