

Discover over 145 years of publishing history

Publishers Weekly Digital Archive

The "Bible of the Book Business," *Publishers Weekly* has chronicled the history of the US, British and international publishing industry since the magazine's founding in 1872. Long the go-to resource for the \$25-billion US book publishing industry, this influential periodical sits at the intersection of commerce, culture and intellectual development.

The *Publishers Weekly* digital archive provides access to over 7,500 issues and more than 650,000 pages, including all advertising, nearly 400,000 book reviews, 5,000 author profiles/interviews and, beginning in 1895, bestseller lists.

As the authoritative voice for US publishing industry news and book reviews, *Publishers Weekly* is an exemplary resource for scholars, academics, researchers and industry professionals. The archive offers the most comprehensive collection available for this title and features full page-level digitization, complete original graphics, and searchable text.
